BRAD COFFEE TABLE

Hello, my name is BRAD!

An indoor-outdoor sofa with highest quality material. Sides are covered with outdoor fabric foam band and the rounded detailed corner post frames the sofa all around.

Cushions are extra comfortable with our soft-feel foam, and are extra protected with an all-weather fabric with TPU coating.

Add the Brad coffee table to your Brad sofa, and the outdoor area is complete! Add a small or a big one, or use them both! The small one can be used as a side table behind the sofa, to extend the outdoor area even more! And it can also be used as a bench!
